

Dear Studebaker National Foundation,
Enclosed are thank you notes from this year's interns. Your generous support allows us to host these learning opportunities and share the Studebaker story with the next generation of museum professionals.

Thank you

Dear Studebaker National Foundation,
Thank you for the opportunity to be a Curatorial/Collections intern at the Museum. I've enjoyed getting some hands-on experience with an amazing collection of automobiles and related artifacts. I look forward to using some of the skills I have gained in further future career opportunities.

Dear Studebaker National Foundation,
Thank you so much for allowing me to have such a fun & educational summer. I've learned so much from everyone here and there's so much I wouldn't have ever learned in a classroom. This was truly one of the best experiences I've ever had in my life.

Thank you again, Alicia Einfalt
